ANNUAL REPORT

Prepared by the

Treasurer of the City of Warwick

RHODE ISLAND

for the Year Ending January 31, 1934

and Caused to be published by the City Council

I herewith submit the twenty-first annual report of the Treasury Department of the City of Warwick for the Fiscal Year ending January 31st, 1934.

It is of satisfaction to note that the 1933 Budget has been balanced showing on a cash basis, an excess of income over disbursements of $6,671.29, including the additions to the Budget of $28,635.00 which for the most part was for emergency relief.

This surplus also was shown notwithstanding a drop of five cents in the tax rate and the falling off from revenues from taxes owing to many distressed cases. Also upwards of $100,000 was spent out of the City's funds for unemployment relief and the needy.

All notes, bond installments and interest payments were met at maturity. Warwick has a record of never having defaulted on any of it's obligations. An excellent showing when it is taken into consideration that many cities and towns in the country have failed in the meeting of their payments.

The total bonded indebtedness has been reduced during the year $101,000. Warwick bonds are given an A rating by "Moody" (an excellent general investment rating) and some of the issues outstanding have sold recently as high as par.

The City has been in a position to borrow for its needs on its Anticipation Tax Notes and all payrolls have been met promptly.

The additional income from Beer and Liquor Licenses has been of much help to the City though the Beer revenue will not be received again.

Various reports and statements follow including reports submitted by the Water and School Departments.

Respectfully submitted,

HOWARD V. ALLEN, City Treasurer.
